Supply Pick-up: **Meeting at 9AM at 3104 SW 9th**
The City will provide safety vests, grabbers, disposable nitrile gloves, a first aid kit, and trash bags.

IMPORTANT: As volunteers return to your meet up point, please separate your dirty supplies from the clean supplies. PLEASE RE-VELCRO ALL USED VESTS CLOSED. This helps us when we launder items to keep them from sticking to each other so they can get clean! We clean and reuse supplies, so please return all unused trash bags, safety vests, grabbers, and unused disposable (nitrile) gloves.
